## Plaque agent & mirror.

Code: HW-630045M

RRP: €3.99

Promo. RRP  
**€2.99**

Pack size 12  
Trade: €170

The miradent dental mirror with a finger-shaped handle is angled, very flat and shows every detail in the mouth. Ideal for control of plaque colors.

The colored tablets turns older plaque blue, pink appear for newer areas. For the plaque test, a tablet (for children half) is placed on the tongue and bitten, then spread with a little saliva in the mouth, spit it out - that's it! The colors can be easily removed by simply brushing your teeth.

**miradent**  
oral care system

## Infant - 0 - Brush.
